

**Israel Battle Tour
October 5 - 14, 2015**

This tour is designed for martial arts enthusiasts and those who do not share those interests alike. The martial arts package includes a half day Krav Maga training with experts in Netanya. The "tourist" package participants will site-see instead of attending the training. All of the battle sites we visit on the tour are historical and cultural sites of interest to all and most are included on all Jewish & Christian tours of Israel. We will also see the sites on a typical Christian pilgrimage to Israel with Bible teachings on site.
